

Residency Application

COVID-19 Statement

Thank you for your application to Lucky Star Farm Artist in Residency Program During this pandemic, we are offering solo or duo self-directed residencies of one or two friends/partners for three weeks to six weeks from April through August. (Note: Until further notice we will require you to receive a Covid-19 test at the local health department when you arrive. You will be in quarantine until we receive the results (usually two days).

Welcome

We welcome all races, all religions, all countries of origin, all genders, all sexual orientations. We are all creative humans, we all stand together. We accept applications from artists, writers, scientists, humanists, scholars and remote workers in all fields or from those with no specific product-oriented project in mind other than to simply unwind, walk, and reset. We offer a creative, contemplative, and safe environment in a remote farm/homestead environment in which to pursue an artistic, scholarly, personal, or work-related project.

Application Due Date: OPEN

Preference will be given to applications received four or more weeks before the start of a residency. All applications are reviewed on a rolling basis, so early application is strongly encouraged. Before completing this application, read the Lucky Star Farm Residency Information on our website. Knowing what you are applying for will ensure a positive experience for all.
